# is proud to be supporting Spinal Muscular Atrophy Support UK

**Spinal  
Muscular  
Atrophy  
Support UK**

Help for today • Hope for tomorrow

Spinal Muscular Atrophy Support UK is the only national charity dedicated both to supporting children and adults affected by Spinal Muscular Atrophy, as well as investing in essential research into causes, treatments and eventually a cure.

1 in 40-60 of us carry  
the gene that causes SMA

Approximately 100 children  
are born with SMA each year

Children with SMA Type 1 rarely  
survive their second birthday

Life-expectancy varies  
between and within the different  
types of SMA
